

Heres Comes My Baby

The Tremeloes

In the midnight, moonlight hour
He's walking along that lonely mile
And every time I do
I keep seeing this picture of you
Here comes my baby, here she comes now
And it comes as no surprise to me with another guy
Well, here comes my baby, here she comes now
Walking with her love, with her love, that's oh so fine
Never to be mine, no matter how I try
You never walk alone
And you're forever talking on the phone
I tried to call you names
But every time it comes out the same
Here comes my baby, here she comes now
And it comes as no surprise to me with another guy
Well, here comes my baby, here she comes now
Walking with her love, with her love, that's oh so fine
Never to be mine, no matter how I try
Here comes my baby, here she comes now
And it comes as no surprise to me with another guy
Well, here comes my baby, here she comes now
Walking with her love, with her love, that's oh so fine
Never to be mine, no matter how I try
