

Walk Away

[Ann Peebles](#)

Heartaches and tears
Each and everyday
Just don't make sense
For me to live this way I've got to stop crying
Get up oh yeah and walk away, walk away Day, after day
It's getting so hard to bare
Lord I'm sittin' smack dab in the middle
Hey of a three way love affair And it don't do me no good to cry
After a while, I got to get up and walk away
Just walk away They'll keep on telling me
So time brings about a change
Time is standing so still for me I can't wait no longer, I can't even cry no more
Why don't you take the chains from my heart, and set me free Day, after day
It's getting so hard for me to bare
Lord, I'm sittin' smack dab in the middle
Lord of a three way love affair And it don't do me no good to cry
After a while I got to get up and walk away Walk away
Oh I've got to walk away
