What They All Call Love

Vince Gill

It ain't about you, it ain't about me
It's about this love we found that has to be
I never questioned that look in your eyes
And you never doubted how I felt inside[Chorus]
We found passion and grace in each others face
And our heart's will now beat as one
For we both know a place where our souls have embraced
I think it's what they all call loveThis gift you've given humbles me
True companions we'll always be
For so long we've waited to feel what we feel
We've finally tasted something that's real[Chorus: x2]
