# Save This Moment For Me

## Duncan James

I don't know what it is about you
but you're always on my mind
I don't know if you feel the same way I do
cos we're running out of time
I just need you to know
there's a memory I hold
and I wanted to share it with you ..[Chorus]
so won't you.... save this moment for me
close your eyes and you'll feel
I am right here beside you
and im holding your hand
so .. let this moment be yours
even though we're apart
understand that I still love you
we're living sperate life
but right now its time.... save this moment for meI just want you to trust me
and I want you to care ..ohhh
if its too late for us now
keep this moment be shared
I just want you to know
if you're ever alone
call my name and I'll always be there[repeat chorus]if I could go back in time
there will be no doubt in your mind
of how much I love you.....[repeat chorus]
