Great Reward

Shane & Shane

Jesus, You're my Great Reward
You are my portion, Lord
and while in heaven you plead for me
draw my every thought to TheeI love you, Lord
Jesus my King
I want to love You more
my Great RewardI have this treasure in a jar of clay
All You glory on display
In a sinner who was saved by grace
You have made me a dwelling placeYou are all I'm living for
I'm moving toward the place
One thing I ask
and this I seek
to gaze into Your eyes
