# I Found a Way

## Drake Bell

Well I never thought that it'd be so simple but
I found a way, I found a way
And I always thought that it'd be too crazy but
I found a way, I found a wayIf you open up your mind
See what's inside
It's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn aroundNow that I know that anything's possible
I found a way, I found a way
No one can break what's so unbreakable
I found a way, I found a wayIf you open up your mind
See what's inside
It's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn aroundNo one cares
What you give
You know you gotta live like you wanna live
When it's time
To be free
You know you gotta be what you wanna beIf you open up your mind
See what's inside
It's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around
