

Oh My Heart

Night Riots

Oh my heart - oh my heart
Could it be right?
You heaven, my heaven
For your love - for your life
In the moonlight
You heaven, my heaven
So close I feel you breathe in
"My kingdom come I am undone"
Your eyes speak candid passions
"My kingdom come I am undone"
Two in a crowd - I feel your desire
Two in a crowd - I feel your desire
Just two in a crowd
I feel your desire
Just two in a crowd
I feel you feed my desire
Oh my heart - oh my heart
Could it be right?
Your heaven, my heaven
For your love - for your love
In the moonlight
Your heaven - my heaven
Brush my skin
Oh sensation
A quiet kiss
She danced for me
Her eyes closed
"My kingdom come I am undone"
Two in a crowd - I feel your desire
Two in a crowd - I feel your desire
Just two in a crowd
I feel your desire
Just two in a crowd
I feel you feed my desire
Oh my heart - oh my heart
Could it be right?
Your heaven, my heaven
For your love - for your love
In the moonlight

Your heaven, my heaven
 Two in a crowd - I feel your desire
 Two in a crowd - I feel your desire
 Just two in a crowd
 I feel your desire
 Just two in a crowd
 I feel you feed my desire
