

# There's A Small Hotel

Michael Feinstein

I'd like to get away, honey  
Somewhere alone with you  
It could be oh, so gay, honey  
You need a laugh or twoA certain place I know, darling  
Where funny people can have fun  
That's where the two will go, darling  
Before you can count up  
One, two, three, fourThere's a small hotel with a wishing well  
I wish that we were there together  
There's a bridal suite  
One room bright and neat  
Complete for us to share togetherLooking through the window  
You can see a distant steeple  
Not a sign of people  
Who wants people?When the steeple bell says  
Good night, sleep well  
We'll thank the small hotel togetherLooking through the window  
You can see a distant steeple  
Not a sign of people  
Who wants people?When the steeple bell says  
Good night, sleep well  
We'll thank the small hotel  
We'll creep into our little shell and  
We will thank the small hotel together
