

# If You See My Rooster (Please Run Him Home)

## Memphis Minnie

If you see my rooster  
Please run him on back home  
If you see my rooster  
Please run him on back home  
I haven't found no eggs in my basket  
Since my rooster been goneI heard my rooster crowing  
This morning just about the break of day  
I heard my rooster crowing  
This morning just about the break of dayI guess that was the time he was making his getaway  
I just found out how come my hens won't lay  
I just found out how come my hens won't lay  
Every time I look around my rooster have done gone awayNow play it, Bob  
Tell me 'bout my roosterI've got too many hens  
For not to have no roosters on my yard  
I've got too many hens  
For not to have no roosters on my yard  
And I don't know what's the matter  
Something have done got 'em barredNow, Bob, if you see my rooster  
Please run him on back home  
Now, Bob, if you see my rooster  
Please run him on back home  
I haven't found no eggs in my basket  
Since my rooster been gone
