

# First Day Of The Rest Of Our Lives

MxPx

Not a lot right now makes sense to me  
And it won't go quietly  
Not a lot right now makes sense to me  
And it won't sit patiently I'm gonna chase my dreams and catch up to them  
I'm gonna find you some how, some way, somewhere, some day First day of the rest of our lives, I miss you  
already  
Last time I saw that look in your eyes, I miss you already  
First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you already I don't want to spend the rest of my life alone  
Where's life taking me?  
I don't want to spend the rest of my life alone  
Always traveling I'm gonna chase my dreams and catch up to them  
I'm gonna find you some how, some way, somewhere, some day First day of the rest of our lives, I miss you  
already  
Last time I saw that look in your eyes, I miss you already  
First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you already I want to love my job  
I want to love my life  
But most of all, I want to fall in love First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you already  
First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you already
