Something to Believe In

Steve Miller Band

Oooooooo
Oooooooo
You give me something to come home to, baby
You give me something to believe in
I know in my heart
You have loved me from the startWhoa, baby
I know that it's real
I can tell by the way that I feelOh
You give me something to believe in
Yes, and you give me something to go on living for
And I know in my heart
You have loved me
From the startWhoa, baby
I know that it's real
I can tell by the way that I feelLie down, my love, lie down
I will sing you a lullaby
Lie down, my love, lie down
Rest easy and close your eyes
Like clear water in a mountain stream
I will come to you in your dreams
Like pictures reflected in a mountain lake
I will be with you when you wakeYou give me something to hold on to
You give me something to believe in
And I know in my heart
You have loved me
From the startWhoa, baby
I know that it's real
I can tell by the way that I feel
Oh, ohLie down, my love, lie down
I will sing you a lullaby
Lie down, my love, lie down
Rest easy and close your eyes
Like clear water in a mountain stream
I will comfort you in your dreams
Like pictures reflected in a mountain lake
I will be with you when you wake
