

Tonight Tonight

Michael Prophet

Ain't nothin' better than anticipation
Tonight's been playin' over in my head
I've had enough of all the expectations
Waitin's the hardest part like Tom Petty says
 We cuttin' loose like we're on a mission
 Them stars are shining, it's a perfect night
 I swear you lookin' like a moonlit vision
 It's takin' over, and I won't fight
That's because tonight, tonight been waitin' to see you
 Tonight, tonight, we can't go wrong
 It feels so right just bein' here with you
 We've been waitin' for this moment all day long
 Tonight, tonight, tonight
 Tonight
 The room is spinnin' like a disco ball
 Everybody's dancin', it's a party y'all
 You move yourself and that graffiti sky
Gives you that feeling everything's gonna be alright
 We just got rockin', now we're rollin, rollin'
 Ain't goin' home until they're closin', closin'
 We'll see the sun before you know it, know it
 And we won't wanna say goodbye
That's because tonight, tonight been waitin' to see you
 Tonight, tonight, we can't go wrong
 It feels so right just bein' here with you
 We've been waitin' for this moment all day long
 Tonight's the night you've waited all week for
 You're gonna take it 'til you just can't take no more
 You better not wait up for me
 Tonight, tonight, tonight
 Oh, tonight, tonight, tonight
That's because tonight, tonight been waitin' to see you
 Tonight, tonight, we can't go wrong
 It feels so right just bein' here with you
 We've been waitin' for this moment
That's because tonight, tonight been waitin' to see you
 Tonight, tonight, we can't go wrong
 It feels so right just bein' here with you
 We've been waitin' for this moment all day long

Tonight, tonight
Tonight, tonight
Tonight, tonight
Tonight, tonight
