

Isolation

Matthew Sweet

People say we got it made
Don't they know we're so afraid, isolation
We're afraid to be alone
Everybody got to have a home, isolationJust a boy and a little girl
Trying to change the whole wide world, isolation
The world is just a little town
Everybody trying to put us down, isolationI don't expect you to understand
After you caused so much pain
But then again you're not to blame
You're just a human, a victim of the insaneWe're afraid of everyone
Afraid of the sun, isolation
The sun will never disappear
But the world may not have many years, isolation
