

Welcome to Jamrock

Damian Marley

Welcome to Jamrock, camp whe' the thugs dem camp at
Two pounds a weed inna van bag
It inna your hand bag, your knapsack, it inna your back pack
The smell a give yah girlfriend contact
Some boy noy notice, them only come around like tourist
On the beach with a few club sodas
Bedtime stories, and pose like dem name Chuck Norris
And don't know the real hardcore
Cause Sandals a no 'back-to', da thugs Dem we do what dem got to
And won't think twice to shot you
Don't make dem spot you, unless you carry guns a lot too
A bare tuff things come at you When Trenchtown man stop laugh and block-off traffic
Then them wheel and pop off and dem start clap it
With the pin file down and it a beat drop it
Police come inna jeep and them can't stop it
Some say them a playboy, a playboy rabbit
Funnyman a get dropped like a bad habit
So nobody pose tuff if you don't have it
Rastafari stands alone! Welcome to Jamrock, Welcome to Jamrock
Out in the streets, they call it murder! Welcome to Jamdown, poor people are dead at random
Political violence, can done! Pure ghost and phantom, the youth
Them get blind by stardom
Now the Kings Of Kings a call
Old man to Pickney, so wave only one if you with me
To see the sufferation sick me
Them suit no fit me, to win election them trick we
And them don't do nuttin at all Come on let's face it, a ghetto education's basic
And most a the youths them waste it
And when them waste it, that's when them take they guns and replace it
Then them don't stand a chance at all
And that's why a nuff little youth have up some fat matic
With the extra magazine inna them back pocket
And have leisure night time inna some black jacket
All who not lock glocks, them a lock rocket
Then will full you up a current like a short circuit
Them a run a roadblock which part the cops block it
And from now till a mornin not stop clock it
If the run outta rounds a brought back ratchet Welcome to Jamrock (Southside, Northside)
Welcome to Jamrock (East Coast, West Coast, huh, yo)
