

Where Is The Feeling?

Kylie Minogue

There's nobody better
Better than you
You make me feel happy
Ohh, happy to know you
Where is the feelin'
The feelin' of security
When we're not together
Tell me everything's gonna be alright
Anytime you want me to
I can make you happy, I can make you happy
There ain't nothing, I wouldn't do
To make you happy
Tell me I'm crazy
Maybe since you've been gone
They don't understand
Together we're one
Where is the feelin'
The feelin' of security
When we're not together
Ohh
Anytime you want me to
I can make you happy, I can make you happy
There ain't nothing, I wouldn't do
To make you happy, to make you happy
Ohh, anytime, uhh, I can make you happy baby
Gonna, gonna, gonna, gonna, gonna, gonna be alright
Alright, alright
When we're not together
Tell me everything will be alright
(When we're not together)
Tell me everything will be alright
Tell me everything will be alright
When we're not together
Tell me everything will be alright
Ohh, ohh, ohh, ohh
(When we're not together, alright)
Anytime you want me to
I can make you happy
There's nothing I wouldn't do

To make you happy
Anytime, I can make you happy
Anytime, I can make you happy baby
