

Forever

The Marvelettes

Darling forever, forever,
You can break my heart,
Forever, if you want to,
I'll play the part
Of a fool,
Just to be with with you,
Forever

Darling forever, forever,
You can torment me;
Take my love for granted;
But I'll always be,
Just a fool,
If I, if I, could be with you;

I'll be your slave
For the rest of, of my days,
Love you more in so, so many ways;
Just to be with you thrills me
Through and through

And darling forever, forever,
You can torment me,
Take my love for granted,
But I'll always be,
Just a fool,
If I, if I could be with you;

Darling forever, forever,
No matter what you say or do,
I'll always, I'll always.
