

# You Spin Me Round

## Blackboard Jungle

I don't want to know your name

And I do want your private number, baby

All I know is that to me, you look like you're lots of fun

Open up your loving arms, I want some, want someI set my sights on you

(And no one else will do)

And I've got to have my way now, babyAll I know is that to me, you look like you're lots of fun

Open up your loving arms, watch out, here I comeYou spin me right round baby, right round

Like a record, baby, right round, round, round

You spin me right round baby, right round

Like a record, baby, right round, round, roundI don't want to be your friend now, baby

But I want to move it just a little bit closerAll I know is that to me, you look like you're lots of fun

Open up your loving arms, watch out, here I comeYou spin me right round baby, right round

Like a record, baby, right round, round, round

You spin me right round baby, right round

Like a record, baby, right round, round, roundAll I know is that to me, you look like you're lots of fun

Open up your loving arms, watch out, here I comeYou spin me right round baby, right round

Like a record, baby, right round, round, round

You spin me right round baby, right round

Like a record, baby, right round, round, round
