Just Let Go

Coco Montoya

Just Let Go
We've got all night just to make it all right
Would you take a walk with me?
I'll give you all I've got, just spare me your time
And I promise you won't want to leave
Are you
Are you falling for me?
This time
We'll find what we both need...
There's an old oak tree
We can swing and sway
We'll lock arms and legs
(You're so far away)
When I look at you
You're so far away
I'm so far away
Oh, if you could just let go...
Wet your eyes with me, just for a while
I'll take you out of harm's way
And like these branches that shelter the rain
We can lay here in our own shade
Are you
Are you falling for me?
Just watch
The two of us will see...
There's an old oak tree
We can swing and sway

We'll lock arms and legs
(You're so far away)
When I look at you
You're so far away
I'm so far away
There is so much that I could give to you
Just say you want me to
I know these roots could break the ground
And in the meantime, our leaves will turn
But rest assured, we'll get through anything
Are you

Are you falling for me?
Like I
Oh, I'm falling for you...
There's an old oak tree
We can swing and sway
We'll lock arms and legs
(You're so far away)
It's just you and me
We can get away
We can get away
(You're so far away)
In this lover's play
We are happy here
Oh, in every way
Oh, and then we just let go...
Just let go
Just let go
Just let go
Just let go...
