

# Gang Bang

## Black Lace

Like a bitch out of order  
Like a bat out of hell  
Like a fish out of water  
I'm scared, can't you tell  
Bang Bang  
Bang Bang  
I thought you were good  
But you painted me bad  
Compared to the others  
You're the best thing I had  
Bang Bang, shot you dead  
Bang Bang, shot you dead  
I thought it was you  
And I loved you the most  
But I was just keeping  
My enemies close  
I made a decision, I would never look back  
So how did you end up with all my jack?  
Bang Bang, shot you dead  
Bang Bang, shot you dead (in the head)  
Bitch out of order  
Bat out of hell  
Fish out of water  
I'm scared, can't you tell  
Bang Bang, shot you dead  
Bang Bang, shot you dead  
I made a decision, I would never look back  
So how did you end up with all my jack?  
Bang Bang, shot you dead  
Bang Bang, shot you dead  
Bang Bang, shot you dead, shot my lover in the head  
Bang Bang, shot you dead and I have no regrets  
Bang Bang, shot you dead in the head  
Bang Bang, shot you dead, shot my lover in the head  
And then I discovered  
It couldn't get worse  
You were building my coffin  
You were driving my hearse

Bang Bang, shot you dead

Bang Bang, in the head  
I thought it was you  
And I loved you the most  
But I was just keeping  
My enemies close

I made a decision, I would never look back  
So how did you end up with all of my jack?

Bang Bang, shot you dead, in the head  
Bang Bang, shot you dead, my lover in the head  
Bang Bang, shot you dead and I have no regrets  
Bang Bang, shot you dead, in the head  
Bang Bang, shot you dead, shot my lover in the head  
(I need you to die for me baby)

You have to die for me baby  
That's right, you have to die for me baby  
How could I move on with my life  
If you didn't die for me baby  
If you didn't die for me baby  
(I need you to die for me baby)

Bang Bang, shot you dead, shot my lover in the head  
Bang Bang, shot you dead, shot my lover in the head  
Bang Bang, shot you dead, shot my lover in the head,  
Now my lover is dead, and I have no regrets

He deserved it  
And I'm going straight to hell  
And I've got a lot of friends there  
And if I see that bitch in hell  
I'm gonna shoot him in the head again  
Cause I wanna see him die

Over and Over and Over and Over and Over and Over and Over and Over

Now drive bitch  
I said drive bitch  
And while you're at it, die bitch  
That's right drive bitch  
Now drive bitch  
I said drive bitch  
And while you're at it, die bitch  
That's right drive bitch  
Now if you're gonna act like a bitch  
Then you're gonna die like a bitch
