

# Cute

## Canton Jones

It was a friday  
after church  
(the night was still was still young)  
so we decided to have dinner n a movie  
out of 10 she was a 12 so was all that  
and quit-sure i was please to be a man with her  
It started late in the evening ya ya so i took her home  
and then she grabbed my hand invited me in  
i looked in her eyes said you must relize  
there's something you don't understand  
your cute but not cute enough for my salvation(x4)  
then she said CJ you gotta be gay to push me away  
cause every man in town wanna be with me  
and i said no you got wrong cause if i lay down with you  
ill disapoint my heavenly daddy cause were not married  
im atracked to you personality and yor mind those  
were the resons that i thought you were oh so find  
so less chill less not go there causewhen it comes to you and jesus christ baby you dont compare your cute but  
not cute enoph for my salvation(x3)
