

I Wanna Be...

Twiztid

I wanna be batman 'cause everybody really ain't shit to me Studios and shows My super hero picture me if I was, batman Utility belt with a compartment for the free rolls Jamie Madrox, (hidden message) Smokin' bat bud off in the bad cave Gotham don't look shit like detroit But I think these muthafuckas get the point Listen, word on the street About the arckon break All trying to kill me before the nightfall Scarycrow, poison ivy, catwomen, two face But I got a bat suprise for each one of all Scarycrow tryna front with me when I'm up in lakeside I don't know what the fuck you talkin' about Hold up Flash the batta ray watch the bitch nigga die You ain't batman, fuck you I don't know who he was I'm batman I met this muthafucka in the flea market I got the belt He was sellin' 8-19 guns with his autograph on I got the gloves What? I got the boots Lemme walk in the closet for sec Help! Help! Help! Help! You wanna see my dick bitch? I got a bat dick Ahaha....
