

# Say Hey

## Kylie Minogue

It's getting late  
You might be sleeping  
I couldn't wait  
I'm caught up with feeling this way Don't want to disturb you  
But I must just to say hey I'm missing you  
I wish you were with me  
The water's warm  
It's making me in the mood to play So good to disturb you  
If you please, I need to say hey
