One-Sided Society

Devotchkas

you've got a porblem, I'm so sick of you,
your always tellin' me what to do,
i'm not perfect, i know my flaws,
but your not going to be the one to lay down my laws,
just because we don't see eye to eye,
that dosen't mean i'll take your fuckin' lies[Chorus]
one sided society
don't believe in the same thing your left out you see
one sided society
point a finger at your self before you piont it at mebefore you accuse me take a look at your self
you've got the problem here not anyone else
i don't need them and i don't need you
so what the fuck are you trying to prove[Chorus]we can't play this and we can't play that
your the fucking biggot as a matter of fact
i don't give a fuck if we can't play your shows
try explainning yourself you never come to us i know
