

Selfish

Michael Penn

I want to you understand
That I want you
And I want you
The way I do and
I want you to want to have it done to you I'm so selfish
I am so selfish
I am so selfish I'm absorbed I am absolved
It's best that you don't get involved
It is not conscious, be assured
And it's not like I haven't heard I'm so selfish
I am so selfish
I am so selfish
So selfish
I'm so... I am so selfish
I am so selfish
I am so selfish In dust we end industrial
Virtuous or virtual
You might find a prince of men
Until that time my name is Penn And I am selfish
I am so selfish
I am so selfish
So selfish
I'm so selfish
I am so selfish
So selfish
I'm so selfish
I am so selfish
So selfish
I'm so...
