

360

[pureNRG](#)

On a big ball cruisin' through the stars
It's a rocket ride no matter who you are
Flyin', spinnin' through the blue
It's full circle on the move

It's a 360 revolution, 360 around the sun
Flyin' high, it's good to be alive doin' 360, 365

Life's another ride and sure enough
Sometimes you find you're down side up
But in a day or two you'll come
Right back where you started from

It's a 360 revolution, 360 around the sun
Flyin' high, it's good to be alive doin' 360, 365

We're up, we're down, we're up, we're down
We're up, down, we're up, we're down
We're turnin' all round

It's a 360 revolution, 360 around the sun
Flyin' high, it's good to be alive doin' 360, 365
360 revolution, 360 around the sun
Flyin' high, it's good to be alive doin' 360, 365

Three six o, three six o, 360
Three six o, three six o, 360
