For You

R. Kelly

Girl I'll be right there when you need me
All you have to do is just call me
I'll be there for you, oh baby
Girl it's true, alright
For youI understand your every needs and
And how you feel about, the way, he left you
Take my hand, come go with me
And let me show you how much I care about you
Girl when you need someoneSomeone that will never leave you
Think of me yeahGirl I'll be right there when you need me
All you have to do is just call me
I'll be there for you (oh baby)
Girl it's true
Only for you
Oh yeahIf I told you once, I told you twice
That when you need to cry
I'll be your shoulder
Girl I would never say goodbye
I'll be your miracle, gotta let you know
Girl when you need someoneSomeone that always be there for you
Think of me, ayGirl I'll be right there when you need me
All you have to do is just call me
I'll be there for you (oh baby)
Girl it's true
Only for you
Oh babyYou need a man who's
(Honest)
And (understanding)
Gotta be (Satisfying)
And someone
(Belonging) Girl I'm gonna be
(Affection)
And I'm gonna be
(Needful)
Girl you need someone
(Dedicated)
I need you to know
That I'll be there for you
Whenever you need meGirl I'll be right there when you need me (alright)

All you have to do is just call me (all you have to do)
I'll be there for you (and I'll be right there)
Girl it's true
Only for youGirl I'll be right there when you need me
All you have to do is just call me (my name)
I'll be there for you, oh baby
Girl it's true
Only for youGirl I'll be right there when you need me (alright)
All you have to do is just call me (just call me, I'll come running)
I'll be there for you (only for you)
Girl it's true (girl it's true)
(Alright, for you)
