

Truly Amazing (From "The Passion of the Christ")

P.O.D.

And I see amazing
And I feel it too
I wish you could meet her
'Cuz she comes and goes
And when you see her you'll know Love
Truly amazing
Love for the fallen
Truly amazing
Heal the broken hearted
Truly amazing
Love for the fallen And I know amazing
And I feel her too
I wish she could meet you
But if you don't have the time
She might run off and hide away Love
Truly amazing
Love for the fallen
Truly amazing
Heal the brokenhearted
Truly amazing
Love for the fallen Shine down your love, love
Bring down your love, love Love
Truly amazing
Love for the fallen
Truly amazing
Heal the broken hearted
Truly amazing
Love for the fallen
Truly amazing Shine down your love, love
Bring down your love, love
