Wake Up Alone(feat. JhenÃ© Aiko)

The Chainsmokers

[Verse 1]
Now I got cars, now I got clothes, now I got money
Now I got crowds screamin' my name sayin' they love me
You got real close, say I'm not alone, you understand me
But late at night, when I close my eyes, the quiet scares me[Pre-Chorus]
Will you still care in the morning?
When the magic's gone, gone, oh?
And will you be there in the morning?
Do you stay when it all goes?
Or will I wake up alone?[Chorus]
Wake up alone
Wake up alone[Verse 2]
I don't need cars, I don't need clothes, forget that money
'Cause if I go home all on my own, it ain't worth nothing[Pre-Chorus]
Will you still care in the morning?
When the magic's gone, gone, oh?
And will you be there in the morning?
Do you stay when it all goes?
Or will I wake up alone?[Chorus]
Wake up alone
Wake up alone
Wake up alone
Wake up alone[Pre-Chorus]
Will you still care in the morning?
When the magic's gone, gone, oh?
And will you be there in the morning?
Do you stay when it all goes?
Or will I wake up alone?[Chorus]
Wake up alone
Wake up alone
Wake up alone
Or will I wake up alone?
