

Skin and Bones

Foo Fighters

Lately I've been measuring
Seems my time is growing thin
Wind me up and watch me spin
 Watch me spin
 Watch me spin

 Skin and bones
 Skin and bones
Skin and bones, don't you know?

 Skin and bones
 Skin and bones
Skin and bones, don't you know?

 I'm just skin and bones

 All worn out and nothing fits
 Brennevin and cigarettes
 The more I give the less I get
 But I'm all set
 I'm all set

 Skin and bones
 Skin and bones
Skin and bones, don't you know?

 Skin and bones
 Skin and bones
Skin and bones, don't you know?

 I'm just skin and bones [x5]

 Deep within this frame of mind
 Heart of hearts, oh Valentine
 Tell my mom I'm doing fine
 Doing fine
 Doing fine

 Skin and bones
 Skin and bones

Skin and bones, don't you know?

Skin and bones

Skin and bones

Skin and bones, don't you know?

Skin and bones

Skin and bones

Skin and bones, don't you know?

I'm just skin and bones [x4]

I'm just skin and hey!
