Heartbreakfree

Ji Nilsson

If I didn't know better
I say I love you
But I always known better
So I lock my heart
Baby donÂ´t come closer
You know were doomed
But we never be over
If we donÂ´t start
DonÂ´t start breaking my heart
DonÂ´t donÂ´t come closer
You want me now
But tell me what happens when you don't
Oh I canÂ´t stand the thought of us being over

Cause tell me how will I ever get over you, I wouldn't
Heartbreak free
Lets be friends be friends forever
You and me
Lets be friends be friends forever

If I didn't know better
I let you touch me
But you canÂ´t shut me out
if I donÂ´t let you in
Baby donÂ´t come closer
Why canÂ´t you see
We will never be over
If we donÂ´t begin...
DonÂ´t start breaking my heart
DonÂ´t don't come closer
You want me now
but baby what happens when you donÂ´t
Oh I canÂ´t stand the thought of us being over
Cause tell me how

Will I ever get over you, I wouldn't
Heartbreak free
Lets be friends be friends forever
You and me

Lets be friends be friends forever

Make it last forever ever
Friendship never ends
Make it last forever ever
Friendship never ends

If I didn't, didn't know better
IÂ´ll make us more then friends
If I didn't, didn't know better
I make us more then friends
You know I always known better... better...
DonÂ´t start breaking my heart
Don't don't come closer
You want me now
But baby what happens when you donÂ´t
Oh I canÂ´t stand the thought of us being over
Cause tell me how

Will I ever get over you, I wouldn't
Heartbreak free
LetÂ´s be friends be friends forever
You and me
LetÂ´s be friends be friends forever

Make it last forever ever
Friendship never ends
Make it last forever ever
Friendship never ends
