Veil of Maya

Cynic

In Maya's grip, illusion transforms verity
Perceiving thus a delusive world of dualityVeil of Maya
Balance every joy with a grief
Dual scales of Maya
Earth's unending law of polarityAhamkara, veil of MayaIllusion works impenetrable
Weaving webs innumerable
Her gay pictures never fail
Crowd each other veil on veilMaya subjects youCharmer who will be believed
By man who thirsts to be deceivedVeil of Maya
Chops and divides God's dream thoughts
The great divider
As we be subject to likes and disgustAhamkara, veil of MayaMaya subjects you
Maya subjects youCharmer who will be believed
By man who thirsts to be deceivedVeil of Maya
Balance every joy with a grief
Dual states of Maya
Earth's unending law of polarityVeil of Maya
Chops and divides God's dream thoughts
The great divider
As we be subject to likes and disgustAhamkara, veil of Maya
