

Sex On The Beach

T-Spoon

Oh wee oh wee oh - da girl them, da girl them, da girl them ho!
Oh wee oh wee oh - come on, there's a party tonightReal and crucial people!
Original king lover, talkin' upon the microphone
Yes, me come like Al Capone
And me sing:[Chorus]
I wanna have sex on the beach
Come on, move your body
Sex on the beach
I wanna have sex on the beach
Come on, there's a party
Sex on the beachI never gonna leave you alone
The tide is high, and the groove is on
She said her name was Cindy
"Would you like a drink of me?"
Bikini on the left, daquiri on the right
Come and give me lovin' all through the night
Do the wild thing, dingaling-aling
Girl, I wanna hear you singDa girl them, da girl them, da girl them ho!
Them all like to have fun now
Da girl them, da girl them, da girl them hey!Girl, I wanna hear you sing[Chorus]Oh wee oh wee oh - real and
crucial people!
Oh wee oh wee oh - come on, there's a party
Oh wee oh wee oh
Oh wee oh wee oh - come on, there's a party tonightI met a girl named Eden
She came straight from Sweden
I gave her Cuba libre
Now she does everything I say, eh
Ding dong, a ring dong
Come, baby, come; no, you can't go wrong
Do the wild thing; take a little swim
Girl, I'm gonna make you singDa girl them, da girl them, da girl them ho!
Them all like to have fun now
Da girl them, da girl them, da girl them hey!Girl, I'm gonna make you sing[Chorus]Da girl them, da girl them,
da girl them ho!
Them all like to have fun now
Da girl them, da girl them, da girl them hey!
Them humphrey shake them bumper today
All of the girl with da sexy body
Old a punny, anny nanny, air make me see

Jump and check out, and wiggle your belly
To all the lovers in this party[Chorus]I wanna have sex on the beach
Come on, move your body
Sex on the beachDa girl them, da girl them, da girl them ho!I wanna have sex on the beach
Come on, there's a party
Sex on the beach
Come on, there's a party tonightOh wee oh wee oh - real and crucial people!
Oh wee oh wee oh - come on, there's a party
Oh wee oh wee oh
Oh wee oh wee oh - come on, there's a party tonight
