

Going Home

Sugar

Going home, where to go
Where the whole thing started
And you know
Going back won't be fun forever As you go, hasn't been forever
Going home, leaving home forever Face the door start to crawl
Like you were a baby
Going home to a home you left
And vowed you'd never be Going home, this was for someone else
Time to go, you can't stay here any more Find some things from the past
That you thought were missing
Pack them up as you go back
To the life you're leading now Going home, I can't stay forever
Got to go, back to where I came from I don't know where to go
With so few possessions
They stay home as I go back
To where I came from
