

Slave Driver

Bob Marley

Ooh-ooh-oo-oo. Oo-oo-oo! Oo-oo-oo.

Slave driver, the table is turn; (catch a fire)

Catch a fire, so you can get burn, now. (catch a fire)

Slave driver, the table is turn; (catch a fire)

Catch a fire: gonna get burn. (catch a fire) Wo, now! Ev'rytime I hear the crack of a whip,

My blood runs cold.

I remember on the slave ship,

How they brutalize the very souls.

Today they say that we are free,

Only to be chained in poverty.

Good God, I think it's illiteracy;

It's only a machine that makes money.

Slave driver, the table is turn, y'all. Ooh-ooh-oo-oo. Slave driver, uh! The table is turn, baby, now; (catch a fire)

Catch a fire, so you can get burn, baby, now. (catch a fire)

Slave driver, the table is turn, y'all; (catch a fire)

Catch a fire: so you can get burn, now. (catch a fire) Ev'rytime I hear the crack of a whip,

My blood runs cold.

I remember on the slave ship,

How they brutalize the very soul.
