Depression

Black Flag

Right here, all by myself
I ain't got no one else
The situation is bleeding me
There's no relief for a person like meDepression's got a hold of me
Depression-i gotta break free
Depression's got a hold of me
Depression's gonna kill meI ain't got no friends to call my own
I just sit here all alone
There's no girls that want to touch me
I don't need your goddamn sympathyDepression's got a hold of me
Depression-i gotta break free
Depression's got a hold of me
Depression's gonna kill meEverybody just get away
I'm gonna boil over inside today
They say things are gonna get better
All I know is they fuckin' betterDepression's got a hold of me
Depression-i gotta break free
Depression's got a hold of me
Depression's gonna kill meDepression's got a hold of me
Depression-i gotta break free
Depression's got a hold of me
Depression's gonna kill me
