

# Inside Out

[Phil Stacey](#)

It's the way of the world  
It's the way of my heart  
And it's something I cannot change  
I'm a man who runs  
From the things that he loves  
I'm a man who wants his way  
Only You can save me  
Only You can save me  
From the inside out  
From the outside in  
Let Your truth and Your grace  
Change me  
From the man I am  
And have always been  
To the man that You  
Want me to be  
From the inside out  
From the inside out  
It's the way of the world  
Or the way of Your love  
And there's nothing in between  
I could walk either way  
But Lord, I wanna stay in Your love  
'Cause that's what I need  
Only You can save me  
Only You can save me  
From the inside out  
From the outside in  
Let Your truth and Your grace  
Change me  
From the man I am  
And have always been  
To the man that You  
Want me to be  
From the inside out  
From the inside out  
A man who loves mercy  
Whose word is true  
A man who wants nothing

But to follow You, to follow You  
From the inside out  
From the outside in  
Let Your truth and Your grace  
Change me  
From the man I am  
And have always been  
To the man that You  
Want me to be  
From the inside out  
From the outside in  
Let Your truth and Your grace  
Change me  
From the man I am  
And have always been  
To the man that You  
Want me to be  
From the inside out  
From the inside out  
From the inside out
