

# Utopia

## Zylver

We'd gather around  
All in a room  
Fasten our belts  
Engage in dialog  
We'd all slow down  
Rest without guilt  
Not lie without fear  
Disagree sans judgment  
We would stay and respond and expand and include  
And allow and forgive and enjoy and evolve and discern  
And inquire and accept and admit  
And divulge and open and reach out and speak up  
This is utopia  
This is my utopia  
This is my ideal  
My end in sight  
Utopia  
This is my utopia  
This is my nirvana  
My ultimate  
We'd open our arms  
We'd all jump in  
We'd all coast down  
Into safety nets  
We would share and listen and support and welcome  
Be propelled by passion, not invest in outcomes  
We would breathe and be charmed and amused by difference  
Be gentle and make room for every emotion  
This is utopia  
This is my utopia  
This is my ideal  
My end in sight  
Utopia  
This is my utopia  
This is my nirvana  
My ultimate  
We'd provide forums  
We'd all speak out  
We'd all be heard

We'd all feel seen  
We'd rise post-obstacle, more defined, more grateful  
We would heal, be humbled, and be unstoppable  
We'd hold close and let go and know when to do which  
We'd release and disarm and stand up and feel safe  
This is utopia  
This is my utopia  
This is my ideal  
My end in sight  
Utopia  
This is my utopia  
This is my nirvana  
My ultimate
