

Just You

Amy Stroup

Some say
I've waited for you all day
I've waited for you all day, my love.

So come, quick
I'm ready for you always
I'm ready for you always, my love.

Yooooooooooooooooo
Yooooooooooooooooo
Just you, just you, just you, just you.

Hear me out
Hear my feelings out loud
I'm runnin' over the clouds, to you.

Blue moon
It's shinin' there for us now
It's followin' us around, the room

Yooooooooooooooooo
Yooooooooooooooooo
Just you, just you, just you, just you

Yooooooooooooooooo
Yooooooooooooooooo
Just you, just you, just you, just you

Some say
I've waited for you all day
I've waited for you all day, my love
