

# In My Head

## Queens of the Stone Age

It's the cruelest joke to play  
I'm so high I run in place  
Only a line we separate  
So Keep on playin' our favorite song  
Turn it up, while you're gone  
It's all I've got when you're in my head  
And you're in my head, so I need it You're the only thing I got  
That I can't seem to get enough  
We collide for one embrace  
So Keep on playin' our favorite song  
Turn it up, while you're gone  
It's all I've got when you're in my head  
And you're in my head, so I need it Keep on playin' our favorite song  
Turn it up, while you're gone  
It's all I've got when you're in my head  
And you're in my head, so I need it Hurry up and wait forever Keep on playin' our favorite song  
Turn it up, while you're gone  
It's all I've got when you're in my head  
And you're in my head, so I need it Keep on playin' our favorite song  
Turn it up, while you're gone  
It's all I've got when you're in my head  
And you're in my head, so I need it I need it  
I need it  
I need it now
