Evelyn Is Not Real

My Morning Jacket

One two three and four
One two three fourEvelyn, I hope this can't be true
Evelyn, you know my heart's with youDon't try to tell me there's another boy, oh oh
Don't try to use me like a lover's toy, yo hoEvelyn, you know this can't be true
From what I found the ground remains with youDon't try to tell me there's another boy, oh oh
Don't try to use me like a lover's toy, oh ohEvelyn, I hope this can't be true
Aw take it away JohnnyDon't try to tell me there's another boy, yo oh
Don't try to use me like a lover's toy, oh ohEvelyn, I hope this can't be true
You broke my heart and then you're so
