Half Of You

Brownstone

Now and then I wonder where you are
And where you've been?
We were friends
But deep inside my heart I always knew
I only needed one not two
I wish that I could say the same for youEveryday I kept you oh so dear and close to my heart
I was yours, I thought that
You were mine right from the start
We made a vow to be as one
But you played your games
Put our love to shame and now the magic's goneI never wanted half of you
Sharing you will just not do
Gotta be one on one or it won't be done
You said you wanted all of me
Why couldn't it be two not three?
It's too late, I won't take half of youSince you've gone
I've had some time to think about my life
And now I, I know that
I won't make that mistake twice
So there's no need for you to call
I found another man
One who understands the woman that I am
Oh yeah, oh yeahI never wanted half of you
Sharing you will just not do
Gotta be one on one or it won't be done
You said you wanted all of me
Why couldn't it be two not three?
It's too late, I won't take half of you
Oh yeahSing sweet baby
Sing it to me my sweet baby
Just wanna say that I'm sorry
I gotta say that I'm sorry
But I promise you
If you take me back I'll be a better manSorry
Found another man
No
One who understands
No
The woman that I am

No, no, no
The woman that I am
OhhNever wanted half of you
No baby
Sharing will just not do
Gimme one more chance
Gotta be, one on one
One on one
Or it won't be doneI'm done with doin' it to ya baby
You said you wanted all of me
All of me, yeah
Why couldn't it be two not three?
It's too late
I won't take half of you
Of you, of you, of you, of you, of youIt's too late
I won't take half of
You
Of you baby, no
