

# Marvin's Room

Drake

Hello, yeah I just walked in, yeah I'm good you still working?  
Tonight, right now? 'Did I go out' yeah I went out, I went, I went to a couple of clubs  
I never went to bed, shit' wine or water  
You should see someone about a cold drink, I don't know, I'm delirious' night'Cups of the Rose  
Bitches in my old phone  
I should call one and go home  
I've been in this club too long  
The woman that I would try  
Is happy wit a good guy  
But I've been drinking so much  
That I'ma call her anyway and sayFuck that nigga that you love so bad  
I know you still think about the times we had  
I say fuck that nigga that you think you found  
And since you picked up I know he's not around(Are you drunk right now?)I'm just sayin', you could do better  
Tell me have you heard that lately?  
I'm just sayin' you could do better  
And I'll start hatin', only if you make meUh, cups of the XO  
All my people been here  
I see all of her friends here  
Guess she don't have the time to kick it no more  
Flights in the morning  
What you doing that's so important?  
I've been drinking so much  
That I'ma call you anyway and sayFuck that nigga that you love so bad  
I know you still think about the times we had  
I say fuck that nigga that you think you found  
And since you picked up I know he's not around oh  
(Are you drunk right now?)I'm just sayin', you could do better  
Tell me have you heard that lately  
I'm just sayin' you could do better  
And I'll start hatin', only if you make meI think I'm addicted to naked pictures  
And sittin' talkin' 'bout bitches  
That we almost had  
I don't think I'm conscious of making monsters  
Outta the women that I sponsor til it all goes bad  
But shit it's all good  
We threw a party, yeah we threw a party  
Bitches came over, yeah, we threw a party  
I was just calling cause they were just leaving

Talk to me please, don't have much to believe in  
I need you right now, are you down to listen to me?  
Too many drinks have been given to me  
I got some women that's living off me  
Paid for their flights and hotels I'm ashamed  
Bet that you know them, I won't say no names  
After a while girl they all seem the same  
I've had sex four times this week I'll explain  
Having a hard time adjusting to fame  
Sprite in that mixture, I've been talking crazy girl  
I'm lucky that you picked up  
Lucky that you stayed on  
I need someone to put this weight on "Well I'm sorry"  
"Are you drunk right now?" I'm just sayin', you could do better  
Tell me have you heard that lately  
I'm just sayin' you could do better  
And I'll start hatin', only if you make me "You're not going to come?"  
"Guess I'm bout to just kick it here then" Just throw up while I hold your hair back  
Her white friend said "you niggas crazy"  
I hope no-one heard that  
I hope no-one heard that  
Cause if they did, we gon be in some trouble
