# Wilding

## Moon Duo

What's it all day long
I feel it
Among the stars up in the sky
Well I feel it
In your eyes
Shining bright
And [?]
Take us along
I feel the love
I feel the fall
And I feel it
The wilding
Let it all descend
On the run
What is it
All day long
Well I feel it
I feel it right
I feel it
Alone the wilding
Let it confirm
Alone
