Night and Day

Bebel Gilberto

Night and day, you are the one
Only you beneath the moon and under the sun
Whether near to me, or far
It's no matter, darling, where you are
I think of you night and dayDay and night, why is it so?
That this longing for you follows
Wherever I goIn the roaring traffic's boom
In the silence of my lonely room
I think of you night and dayNight and day
Under the hide of me
There's an, oh, such a hungry yearning
Burning inside of me
