

When It Counts

Twin Danger

I see right through the pain that
We all rush towards
But it don't stop me from
 Leaning forwards
As if I don't care but I do
When it counts Time keeps to the grave
Moving past all that we'll say I see right through the pain that
 Comes to find us
But it don't stop me from
 Winding up
As if I don't care but I do
 When it counts
Time will pass us by
 And I don't care
What's wrong or what is right
