

No More

Neil Young

Livin' on the edge of night
You know the sun
Won't go down slow You don't know which drug is right
Can't decide which way
You wanna go I feel the way you feel 'cause not so long ago
It had a hold on me, I couldn't let it go
It wouldn't set me free, it wouldn't set me free No more
No more
No more Seemed like the easy thing
To let it go
For one more day Like singin' the same old song
And twistin' the words
In a different way Where did the magic go, I searched high and low
I can't find it no more, I can't get it back
I can't find it no more, I can't find it no more No more
No more
No more Searchin' for a quality
Havin' to have
The very best Now scroungin' for quantity
Never havin' time
To do the test That's how the story goes, can't put it down
Till the last page, I can't put it down
I can't put it down, I can't put it down
