

If

Dean Martin

If they made me a king I'd be but a slave for you
If I had everything I'd still be a slave to you
If I ruled the night, stars and moon so bright
Still I'd turn for life to you If the world to me bowed yet humbly I'd plead to you
If my friends were a crowd, I'd turn my needs to you
If I ruled the earth, what would life be worth?
If I hadn't the right to you If the world to me bowed yet humbly I'd plead to you
If my friends were a crowd I'd turn my needs to you
If I ruled the earth, what would life be worth?
If I hadn't the right to you
