

# Equally Destructive

## After Forever

Ground is shaking  
Waves are breaking  
The wind has lost controlThe air is shifting while  
It's lifting force fools gravityA huge eruption  
Vast explosions  
As it bursts the earthWater's pounding  
Waves are sounding  
Deadly and extreme"But we are equally destructive"Equally destructive as we are  
Don't you think we've also gone too far?  
We are just a part of this machine  
And it's endless streamAlarming silence predicts  
The violence that is yet to comeWe are senseless  
Proud while blindness  
Is catching up with usWe must measure while  
The pressure of nature's force expandsWe feel minor, punished and meager  
Betrayed by all our gods"We are a part of it  
We are equally destructive"Equally destructive as we are  
Don't you think we've also gone too far?  
We are just a part of this machine  
And its endless stream
