In Napalm

Avatar

Keep me in mind
For all of your trials
Keep me forever
Just give me a day in denialGrant me a wish
Just a mistake
Grant me a fire to love
Make me feel
Before it's too lateBurn
Let me burn
Let me cleanse my soul
Cleanse my soul in napalmDrown me in sand
For all coming eons
Drown me in sorrow
Just take me back home
Where I came fromGive me a chance
Let me explain
Give me the cure
To the sickness I am
I can't take the strain
Give me a name
Something to save
Give me a meaning
To live with my stains
It can't be too lateAll men on deck
Take your stations
I am ready too roll
The countdown has started
I'm out on a mission
I'm going
I'm going home
