

It's Not About You

Scouting For Girls

She said it's not about you
It's not about you, it's me
She said it's not about you
It's not about you, it's me
And sometimes it's good
And sometimes it's bad
But living with you, well you're driving me mad
And sometimes it's good
And sometimes it's bad
But living with you is, well it's becoming a drag
She's a beautiful smile
She's the gleam in your eye
Dresses like a princess
Playing games in your mind
Falling out of her top
Runs a hand through her hair
Playing so hard to get
'Cause she knows that you care
I don't know how to love you more, how to love you more
How to love you more, my friend
I don't know how to love you more, how to love you more
How to love you more, my
I guess we got, I guess we got
I guess we got nothing to say
I guess we got, I guess we got
I guess we got
It's not about you, don't you go
I guess we got
It's not about you, don't you go
I guess we got
And sometimes it's good
And sometimes it's bad
But living with you, well you're driving me mad
And sometimes it's good
And sometimes it's bad
But living with you, well it's making me sad
So is this how it ends? Well nobody knows
She'll be gone for a year and we'll see how it goes
Moving out of the flat, slipping right through your hands

She's a difficult girl and you're a sillier man
I don't know how to love you more, how to love you more
How to love you more, my friend
I don't know how to love you more, how to love you more
How to love you more, my
I guess we got, I guess we got
I guess we got nothing to say
I guess we got, I guess we got
I guess we got
It's not about you, don't you go
I guess we got
It's not about you, don't you go
I guess we got
Don't you go home, don't you go home
Don't you leave me on my own
And sometimes it's good
And sometimes it's bad
But living with you, well you're driving me
I guess we got, I guess we got
I guess we got nothing to say
I guess we got, I guess we got
I guess we got nothing to say
(I guess we got, I guess we got alot)
Don't you go home, don't you go home
(I guess we got, I guess we got alot)
Don't you leave me on my own
(I guess we got, I guess we got alot)
Don't you go home, don't you go home
(I guess we got, I guess we got alot)
Don't you leave me on my own
Don't you go home, don't you go home
Don't you leave me on my own
Don't you go home, don't you go home
Don't you leave me on my own
